

How to get to the

„Zentrum für Medizinische Physik und Biomedizinische Technik“
„Center for Medical Physics and Biomedical Engineering“

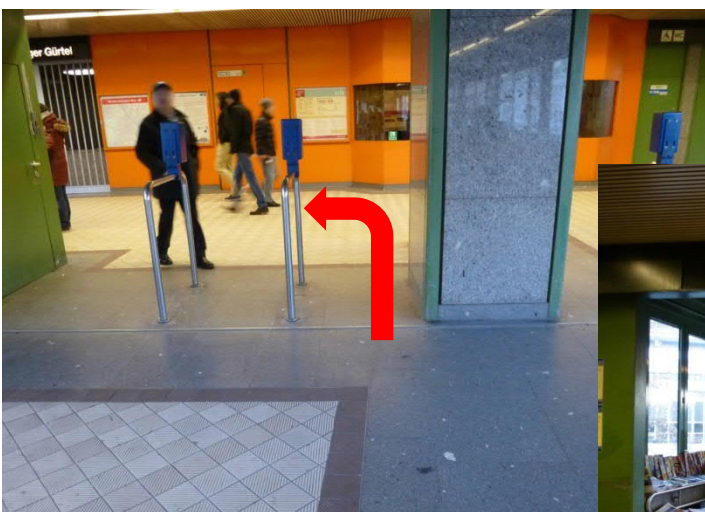

Leave Underground No 6 (U6) at station Michelbeuern – Allgemeines Krankenhaus

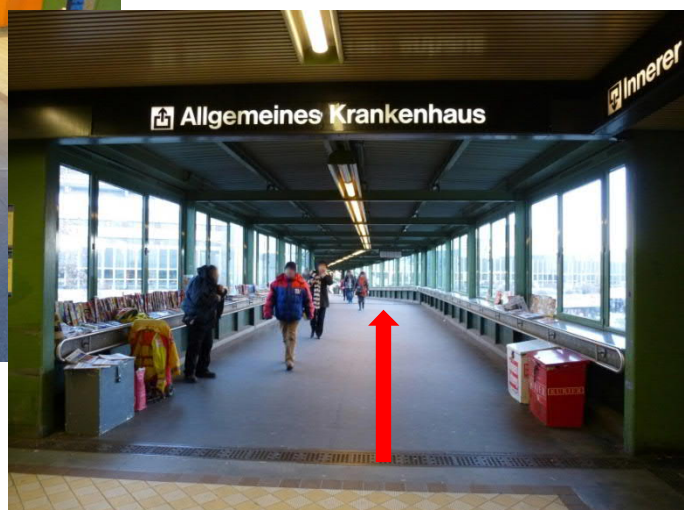

The station has an exit in one direction only

At the end of the escalators turn left

Proceed straight forward

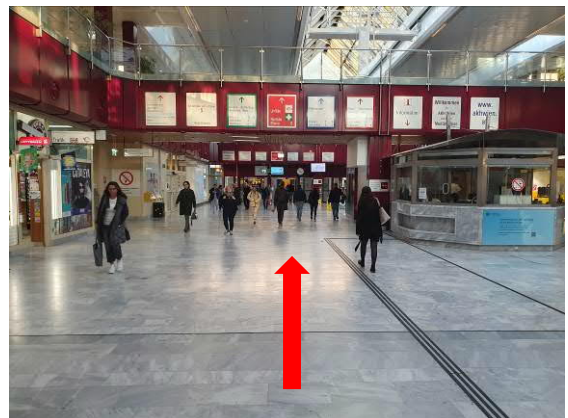

Use the escalators to your right (elevators is on left side)

Proceed down the escalators / stairs

To your left there is the main entrance of the AKH

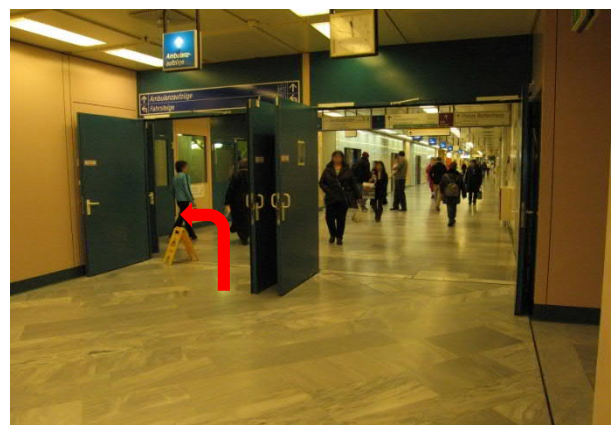

Proceed through the main entrance door and straight forward through the hallway

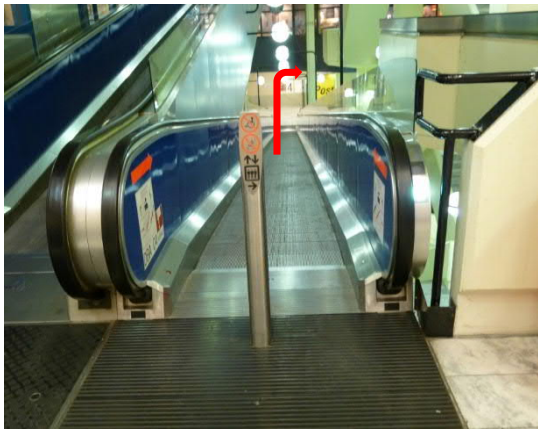

Proceed until you find this sign

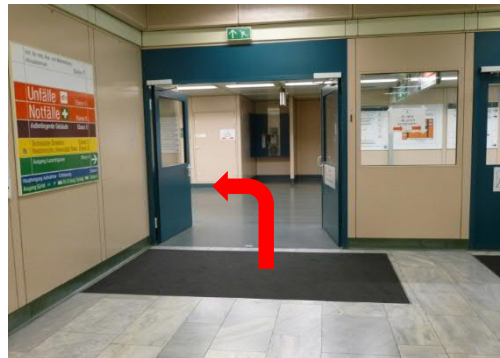

Now turn left to the escalators (or you can use the blue elevators „Ambulanzaufzüge“)

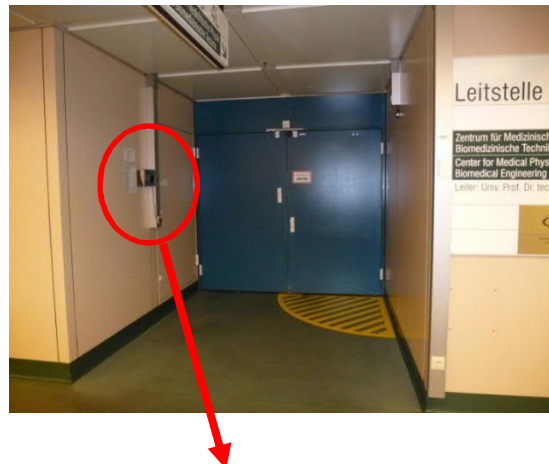

Proceed one level downstairs with the escalators/stairs and at the end turn right

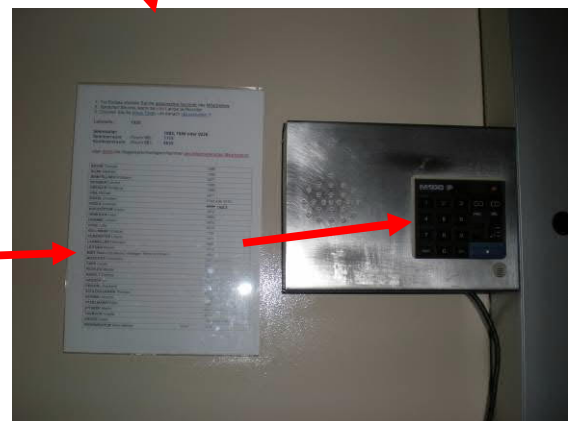

Proceed through the blue door and turn left

And here you are...

In case the centers blue main entrance door is not open use the intercom and press 1983/1984/ 1985 or 9226 to contact secretariat or use the number of the desired employee.

Proceed to secretariat...
