PLACE IN THE CHOIR

Chorus (clap on 2 and 4)

All God's creatures got a place in the choir
Some sing low and some sing higher
Some sing out loud on the telephone wire
Some just clap their hands or paws,
or anything they got now

Verse 1: dt

Heute hier, morgen dort
bin kaum da muß ich fort
Hab' mich niemals deswegen beklagt *wait 1*
Hab' es selbst so gewählt
nie die Jahre gezählt
nie nach gestern und morgen gefragt

Chorus: dt

Manchmal träume ich schwer
und dann denk' ich es wär
Zeit zu bleiben und nun
was ganz andres zu tun *wait 1*
So vergeht Jahr um Jahr
und es ist mir längst klar
daß nichts bleibt,
daß nichts bleibt wie es war.

Verse 1: eng

Day to day, town to town
sing my songs, travel 'round
It's a choice that I made long ago *wait 1*
Yesterday or tomorrow
time's mine to borrow
Or share, till again I must go

Chorus: eng

But sometimes, when my dreams
Start to haunt me, it seems
I should try settling down
For a change, in some town *wait 1*
But the years and the days
Pass me by, go their ways
And the changes are all that remain

Verse 2: dt

Daß man mich kaum vermißt
schon nach Tagen vergißt
wenn ich längst wieder anders wo bin *wait 1*
stört und kümmert mich nicht
vielleicht bleibt mein Gesicht
doch dem ein oder andern im Sinn

Chorus: dt

Manchmal träume ich schwer
und dann denk' ich es wär
Zeit zu bleiben und nun
was ganz andres zu tun *wait 1*
So vergeht Jahr um Jahr
und es ist mir längst klar
daß nichts bleibt,
daß nichts bleibt wie es war.

Verse 2: eng

Though the folk I have met
(Ah, how soon!) they forget
When I've moved on to some other place *wait 1*
There may be one or two
When I've played and passed through
Who'll remember my song or my face

Chorus: eng

But sometimes, when my dreams
Start to haunt me, it seems
I should try settling down
For a change, in some town *wait 1*
But the years and the days
Pass me by, go their ways
And the changes are all that remain

Verse 3: dt

Fragt mich einer warum
ich so bin bleib ich stumm
denn die Antwort darauf
fällt mir schwer *wait 1*
denn was neu ist wird alt
und was gestern noch galt
stimmt schon heut'
oder morgen nicht mehr.

Chorus: dt

Manchmal träume ich schwer
und dann denk' ich es wär
Zeit zu bleiben und nun
was ganz andres zu tun *wait 1*
So vergeht Jahr um Jahr
und es ist mir längst klar
daß nichts bleibt,
daß nichts bleibt wie es war.

Verse 3: eng

Please don't ask me to say
Why I've chosen this way:
It's just too hard for me to explain *wait 1*
For the places I've been
And the changes I've seen
Tell me nothing
I know stays the same

Chorus: eng

But sometimes, when my dreams
Start to haunt me, it seems
I should try settling down
For a change, in some town *wait 1*
But the years and the days
Pass me by, go their ways
And the changes are all that remain

The Neighbours

Most of us come from the area around Zeiselmauer, Wolfpassing, and St. Andrä-Wördern (with one exception). Our paths crossed on train rides and at local events, and from there we grew together as a group. Although each of us started out in different musical genres, we soon discovered a shared passion for bluegrass and folk.

Anke: Clarinet, Guitar
Manfred: Banjo, Dobro
Michi: Guitar
Sabine: Violin
Sigi: Mandolin, Guitar
Toni: Bass, Mandolin
Wolfi: Guitar
