2 Timeline

Tuesday, 16.09.2025

09:00h Starting preparations

10:00h, road-traffic will be blocked for the event. Important delivery vehicles will be guided through the competition area.

10:00 – 13:30h Arrival of the teams and exhibitors

14:00 - 16:00h : Meet the Teams & Testruns

16:00 - 18:00h : Qualifications

18:00 - 18:30h : Finals

18:45 - 19:00h : Medal Ceremony

2.1 Intended Schedule

Please note that the intended is objective to last minute changes in coordination with the participating teams.

2.1.1 Meet the teams and testruns

14:00 - 16:00h

During this time-slot public visitors should have the chance to get to know you. You will be a provided rain-proof space (tent or roof). Please bring some information material, banners of whatever you have available to present yourself as a team, your pilot and FES-Cycling in general.

Also use the chance to talk to each other and have fun. The entire track is ours – feel free to observe it during some testruns (with and without stimulation), to find an optimal strategy to complete the course.

If possible also involve the visitors and may give them the chance to try out your system. Of course this is optional.

In addition to the teams the rehab center “**Tech2people**” will also be there with 2 exoskeletons. Use the chance to talk to them and may even try it out.

2.1.2 Qualifications

3 Location

Location: Allgemeines Krankenhaus (AKH)

→ General Hospital of Vienna

Coordinates: N48.21960949712621, E16.344577827499638

3.1 Arrival by car

Only **participating teams** are allowed to enter the competition area by car. The easiest is to follow the link provided:

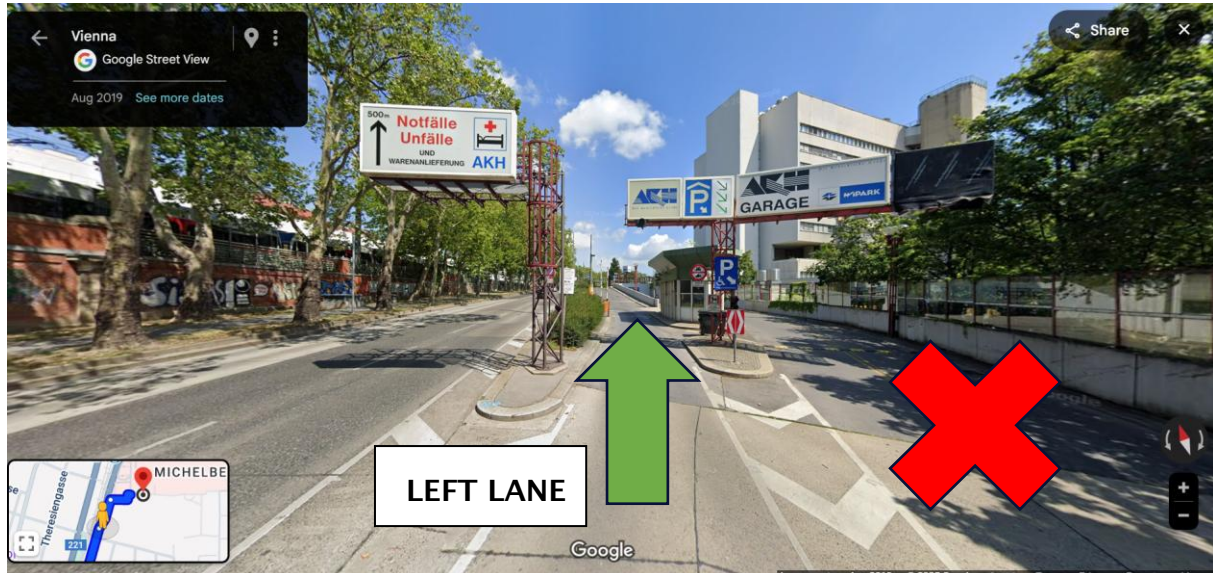

Google Maps Link: <https://maps.app.goo.gl/YgP3DzJ9ez7HZqXa8>

3.1.1 Access to the area

From the main road enter the area via this access.

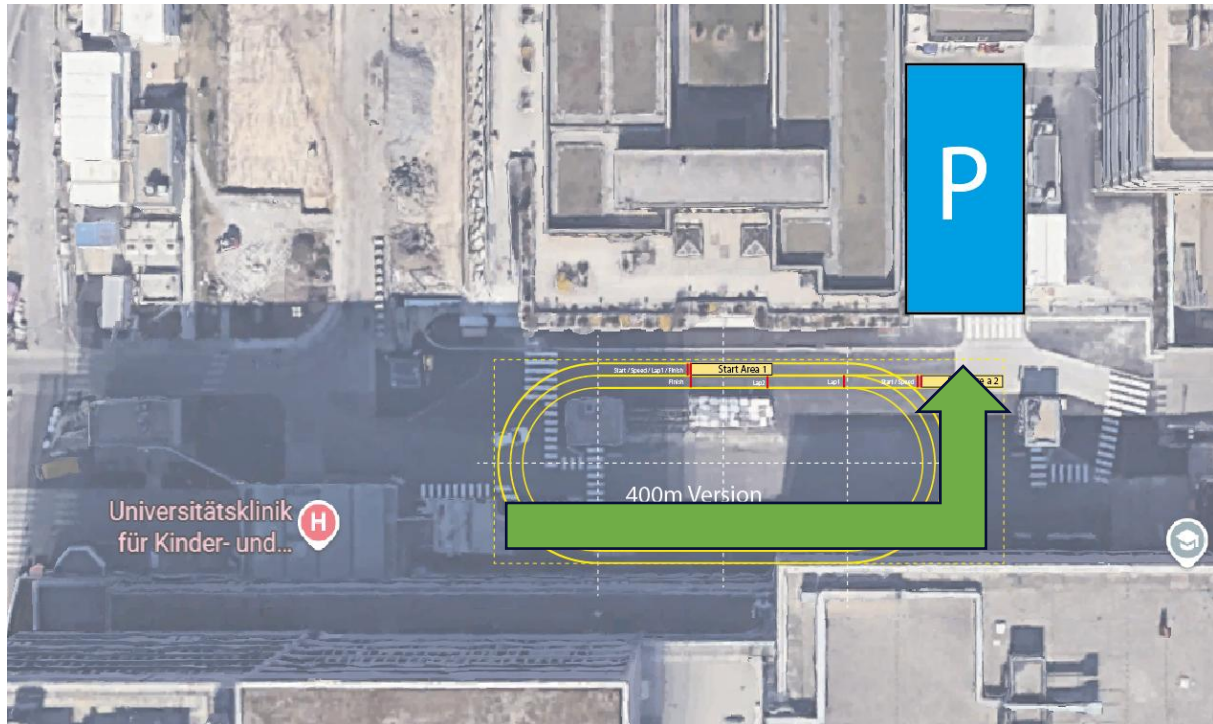

At the barrier ring the bell and tell the security staff that you are here for the **Cybersportday**: In case they make problems say this is in arrangement with “**Christian Liebe**” organised by “**Martin Schmoll**”

3.1.2 Parking

Participating teams are allowed to park directly on-site. Upon arrival at the location, you will be guided to the parking lot. Visitors can park in the Parking Garage of the General Hospital of Vienna.

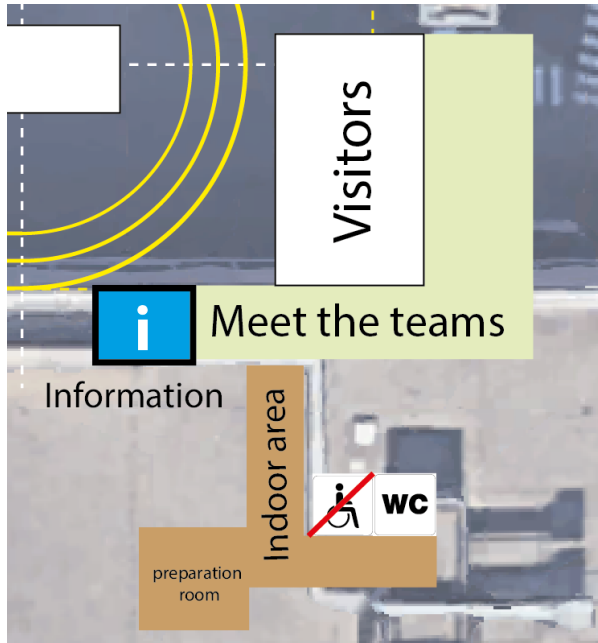

3.2 Arrival by public transport

Use the underground line **U6** (the brown line) to get to the station **Michelbeuern-Allgemeines Krankenhaus**

4 Facilities

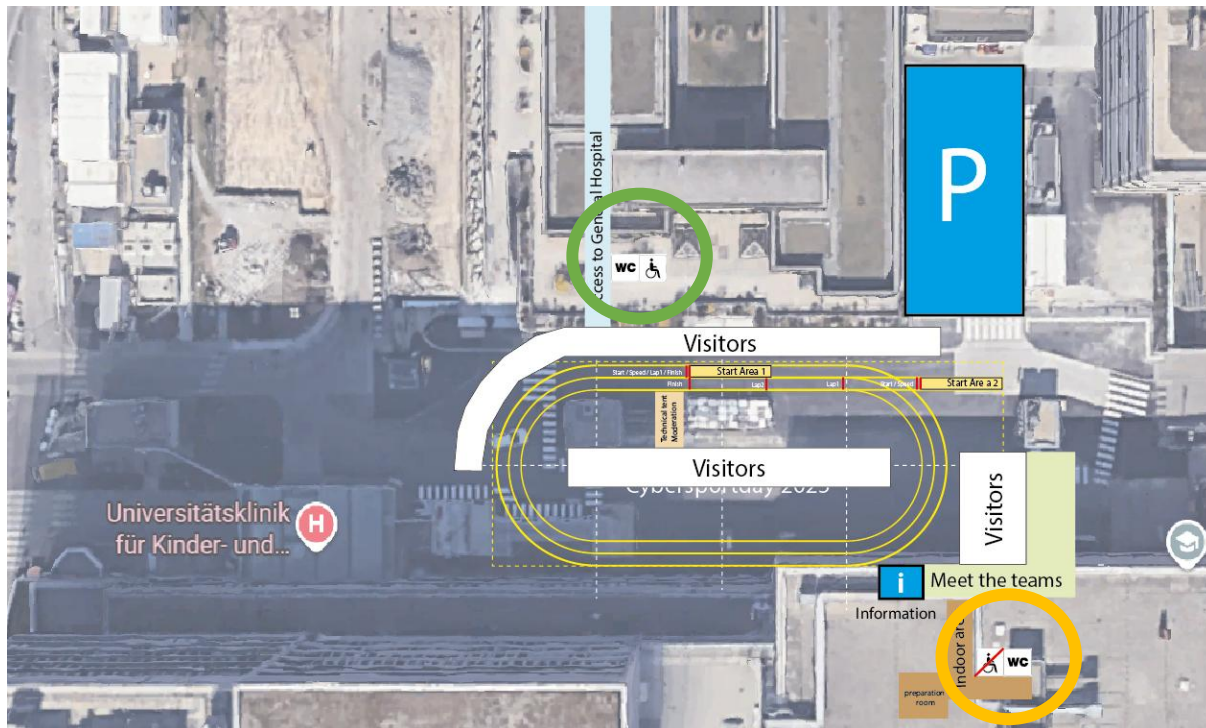

4.1 Indoor area

The Indoor area is located right next to Meet the Teams area. It consists of a corridor and a preparation room which will be shared by all participating teams. Either the corridor or the changing room can be used for changing or preparation. These areas will not be open to the public, however – some occasional employees/workers may pass through.

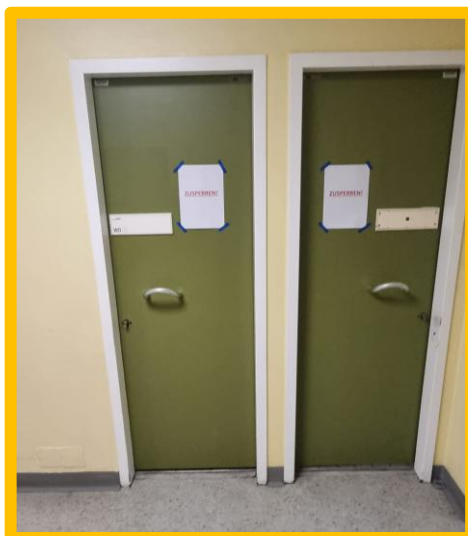

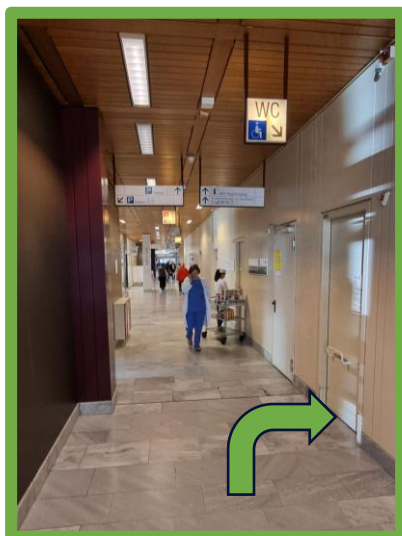

4.2 Toilets

Toilets (orange marking) can be found at the indoor space right next to the “meet the team” section. These toilets unfortunately only offer limited usability for wheelchairs, but might be usable for catheterisation. Alternatively the shared preparation room, might also be used for emergency catheterisation.

The next fully functional toilet **barrier free toilet (green marking)** is located in at the corridor providing access to the general hospital. This toilet requires a EuroKey which will be provided if necessary. In case of having troubles, please contact the information desk for obtaining personal guidance.

4.3 Preparation room

In addition to the indoor corridor, a small room is available to be shared by all participating teams. A simple massage bed will be provided.

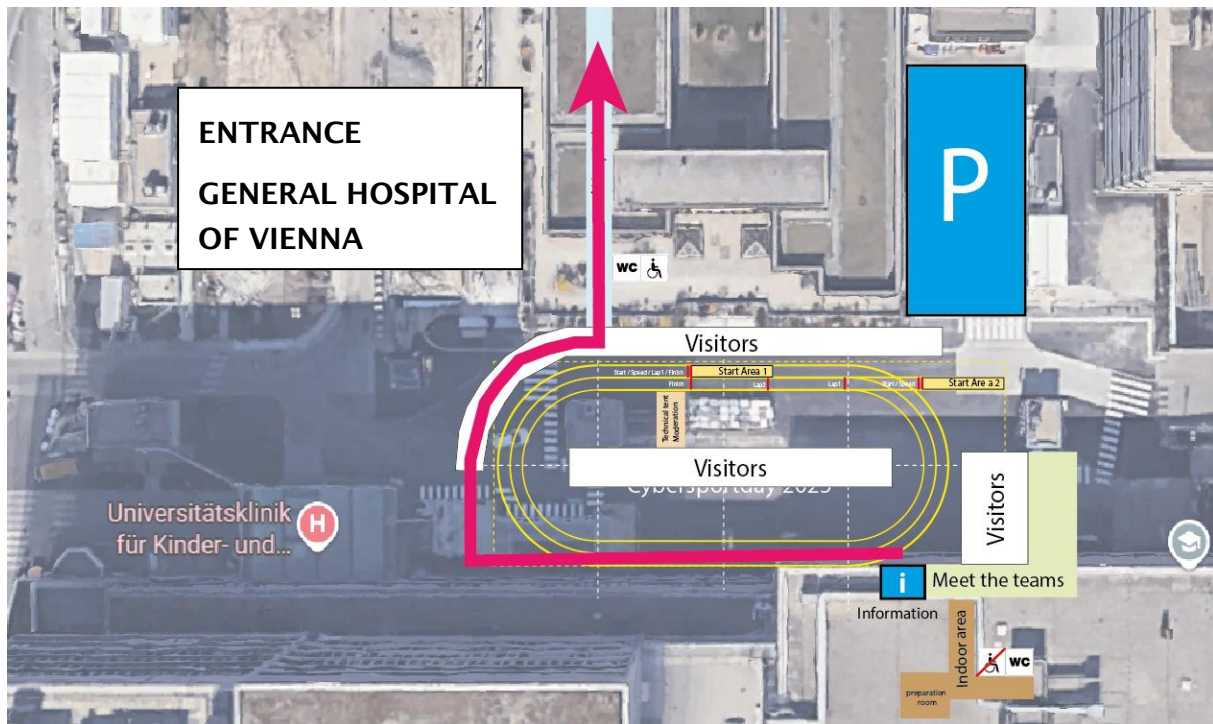

4.4 Food / Drinks

A selection of drinks and snacks will be provided for the participating teams and helping staff in the indoor area for free.

In addition there is a wide selection of shops in the entrance hall of the General hospital.

In the Entrance hall you will find:

- **Frühwirt** – Medical aids and healthcare supply store
- **Anker** – Bakery and snack shop
- **Spar** – Grocery store
- **Henry** – Kaiserschmarrn, snack and coffeshop
- **Starbucks** – Coffee shop
- **Pizza place**
- **Post office** – with self-service area
- **Newsstand and tobacco shop**
- **ATM** – cash withdrawl machines

4.5 Workshop / Repairs

In case of urgent repairs, we do have well-equipped workshops in our institute close by. Please contact the information desk if you need help.
